The Spark's pony show was attended by nearly a thousand people yesterday afternoon. A special children's matinee was given and the little people present enjoyed the show immensely. The show is a very creditable one and commends itself to the public. It has been well patronized since it came to Roanoke. They gave another creditable performance last night.

THE REVIVAL SERVICES.

Interesting Services Were Held at Both Churches Last Night.

The special service at Calvary Baptist Church to converts last night was of a very interesting nature. The remarks of Mr. Schoolfield were directed especially to those who had grounded the arms of their rebellion and had taken up the cross and are fol. ers of Jesus Christ. The house was well filled.

There will be services this morning at 11 o'clock. At 3 p. m. a special service for men only will be held. All men are invited to attend. At night the services will be of a farewell nature and will close the meeting. This is justly regarded one of the greatest revival meetings ever held in Roanoke. There were a number of accessions to the church yesterday afternoon.

At the First Baptist last night one of the most interesting meetings of the series took place. Dr. Barron preached to a large congregation from the text: "His name shall be called Jesus, for He shall save His people from their sins." Mr. and Mrs. Bush rendered one of their inimitable sweet songs, and the sermon was very impressive and forcible. More than a dozen professed faith in Christ.

There will be three services to-day. Regular services at 11 and 7:30 o'clock. At 3 o'clock a special service will be held. Every one is cordially invited to attend.

Dr. Barron will preach at each of these services, and Mr. and Mrs. Bush will sing. All who have not heard these sweet singers have missed a rare treat.

The Baltimore and Ohio.

The New York Journal of Finance of Friday has the following: "Some railroad men think there is truth in a report that has been current lately that the Baltimore and Ohio system would seek to control both the Cape Fear and Yadkin Valley and the Roanoke and Southern, the latter being 123 miles in length, extending from Roanoke, Va., to Winston, N. C., and now operated under a lease by the Norfolk and Western backed up, it is understood, at the present by the Baltimore and Ohio. Then by building a line from Lexington to Roanoke, the Baltimore and Ohio would have a route through Southern Virginia, and Piedmont North Carolina to the sea coast at Wilmington, N. C."

TELEPHONE 192 and the Radford Steam Laundry wagon will call for your bundle.

UNTOLD MISERY FROM RHEUMATISM

C. H. King, Water Valley, Miss., cured by Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles

being twisted up in knots. I was unable to dress myself, except with assistance, and could only hobble about by using a cane. I had no appetite, and was assured, by the doctors, that I could not live. The pains, at times, were so awful, that I could procure relief only by means of hypodermic injections of morphia. I had my limbs bandaged in clay, in sulphur, in poultices; but these gave only temporary relief. After trying everything, and suffering the most awful tortures, I began to take Ayer's Sarsaparilla. Inside of two months, I was able to walk without a cane. In three months, my limbs began to strengthen, and in the course of a year, I was cured. My weight has increased to 165 pounds, and I am now able to do my full day's work as a railroad blacksmith."
